

Rainbow Inclusion Day

Wednesday 3rd July 2024 at 2 PM

What is inclusion?

Why is it important to us all at Merridale?

Inclusion at Merridale means that all children are important and that all learners have access to mainstream education. Every learner is just as important as each other even though we may have additional needs. Every child has the right to equal opportunities and the right to learn in a safe, secure space.

How are we going to celebrate this day?

We are asking children to come to school dressed in brightly coloured clothing. They will complete a "Rainbow Walk" around the school grounds. The children will take part in a range of activities based on books which focus on additional needs such as: Autism, Dyslexia and ADHD.

How you can get involved!

Parents and carers are invited to attend a market-style event in the hall which is being supported by the Outreach Team. There will be a range of people who will be on hand to provide useful information, support and advice. The areas that you can access include: the family learning team, parent coaching & champions, strengthening family worker and Wolverhampton young carers. There will be plenty more!

What we will achieve!

The children will learn that we are all different and that our differences make us, and our community, stronger. We are very proud of Merridale and want to celebrate what makes us unique!
