

# Merridale Primary School Attendance Policy 2023-24

### Agreed By Governors -September 2023

#### **ETHOS STATEMENT**

Merridale School offers a positive, safe learning environment for its community, in which everyone has equal and individual recognition and respect. We celebrate success and are committed to the continuous improvement and fulfilment of potential in every child. We encourage increasing independence and self-discipline amongst the pupils. Everyone within the school has an important role to play in sharing responsibility for the development of positive behaviour and attitudes.

All members of the school community are treated with the respect and sensitivity implicit within our school aims, values and the practice of a code of equal opportunities and inclusion. Equality of treatment and opportunity operate regardless of background, ability, gender, religion, disability or ethnicity.

This is a hardworking school and you child plays their part in making it so. We aim for an environment which enables and encourages all members of the community to strive for excellence. For our children to gain the greatest benefit from their education, it is vital that they attend regularly and your child should be at school, on time every day the school is open unless the reason for the absence is **unavoidable**.

It is **very important** therefore that you make sure that your child attends regularly and this policy sets out how, together, we will achieve this.

# Why Regular Attendance is so important:

**Learning:** Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class. Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

**Safeguarding:**- your child may be at risk of harm if they do not attend school regularly. Safeguarding the interest of each child is everyone's responsibility and, within the context of this school, promoting the welfare and life opportunities for your child encompasses:-

Attendance

Behaviour management

Health and Safety

Access to the curriculum

Anti-bullying

Failing to attend this school on a regular basis will be considered as a safeguarding matter.

# The Law relating to attendance

Section 7 of the Education Act 1966 states that 'the parent of every child of compulsory school age shall cause him / her to receive efficient full time education suitable:-

- a) To age, ability and aptitude and
- b) To any special education needs he / she may have

Either by regular attendance at school or otherwise'

#### The Law relating to safeguarding

Section 175 of the Education Act 2002 places a duty on local authorities and governing bodies to have regard to guidance issued by the Secretary of State with regard to safeguarding and promoting the welfare of children and students under the age of 18.

### **Promoting Regular Attendance:**

Helping to create a pattern of regular attendance is everybody's responsibility – parents and carers, pupils and all members of school staff.

#### To help us all to focus on this, we will:

- Give you details on attendance in our regular newsletters, website and in assemblies;
- Report your child's attendance rate (percentage) each term
- Celebrate good attendance by sharing class achievements;
- Reward good attendance with weekly class attendance rewards; and
- Reward good or improving attendance through certificates and prizes at the end of each term
- Reward 100% attendance with a certificate at the end of each term and a trophy at the end of each year for 100% attendance for the whole year.

#### **Understanding types of absence:**

Every half-day absence from school has to be classified by the school (not by the parents/carers), as either **AUTHORISED** or **UNAUTHORISED**. This is why information about the cause of any absence is always required by telephone call and preferably in writing preferably by e-mail to <a href="mailto:office@merridaleprimary.co.uk">office@merridaleprimary.co.uk</a>.

**Authorised absences** are mornings or afternoons away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

**Unauthorised absences** are those which the school does not consider reasonable and for which no leave has been given. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. This includes:

• Parents/carer's keeping children of school unnecessarily;

- Truancy before or during the school day
- Absences which have never been properly explained;
- Children who arrive at school too late to get an attendance mark in the register;
- Shopping, looking after other children or birthdays; and
- Day trips and holidays in term time which have not been agreed

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best resolved between the school, the parents and the child. If your child is reluctant to attend, it is **never** better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually makes things worse. Merridale offers an open door policy to solving problems, however small.

## Persistent Absence (PA):

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling for whatever reason. Absence at this level is doing considerable damage to any child's education and we need parents' fullest support and co-operation to tackle this.

#### Attendance at 95% or below

We monitor all absence thoroughly. When a child has reached the 95% or below mark **for whatever reason.** Absence at this level is doing considerable damage to any child's education and we need parents' fullest support and co-operation to tackle this.

We monitor all absence thoroughly. When a child has reached the 95% or below mark for **any reasons**, **including only genuine absence**, the headteacher will write to parents to alert them and offer support. Attendance below 95% is regarded as heading towards persistent absence and the headteacher may ask to see parents in order to draw up an attendance action plan.

#### Attendance at 93% or below

When a child has reached the 93% or below mark for any reasons, **including only genuine absences**, the headteacher will write to parents to alert them and notify them that until their child's attendance improves to above 93% **no further absences will be authorised unless evidence is provided**. Evidence includes appointment cards, evidence of medicines being prescribed by a doctor or evidence of the circumstances necessitating the absence from school. **If evidence is not provided then any absence will be unauthorised. There are consequences of unauthorised absence detailed below**. Please note this only applies for the period until your child's absence reaches above 93%.

# Attendance at 90% or below

When a child's absence falls to 90% or below we will have already been in contact several times and offered every support possible. The headteacher will write to parents to inform them that their child's attendance has been referred to the Local Authority who have legal powers to prosecute, issue penalty notices and make home visits. The LA is independent of the school

Our school works with an Education Welfare Officer (EWO). If between the school, EWO and the parents / carers, we are unable to resolve persistent absence issues these will be referred to the Local Authority Attendance Service for consideration for legal proceedings, home visits, penalty notices etc.

#### **Absence Procedures:**

#### If your child is absent you must:

- Contact us as soon as possible on the first day of absence, ideally by 8.20am (either by telephone
  or e-mail):
- Or call into school and report to a member of the staff

#### If your child is absent we will:

- Telephone you on the first day of absence if we have not heard from you;
- Invite you in to discuss the situation with the Head Teacher, Deputy Headteacher or Education Welfare Officer.
- Refer to matter to our Education Welfare Officer and / or the Local Authority if attendance falls below
   95%

#### **Telephone numbers:**

There are times when we need to contact parents/carers about lots of things, including absence, so we need to have your correct, working contact numbers at all times. Help us to help you and your child by making sure we always have an up-to-date contact number – if we don't then something important may be missed. There will be regular checks on telephone numbers throughout the year.

#### Lateness:

Poor punctuality is not acceptable. If your child misses the start of the day, they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons. This can be embarrassing for the child and can encourage absence.

### How we manage lateness:

The school day starts at 8.50am and we expect your child to be in class at that time. We open our doors at 8.35am.

Registers will be marked at 8.55am and your child will receive a late mark if they are not present in the class.

The register will be closed 15 minutes after school's start time. In accordance with the regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will not count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

If your child has a persistent late record you will be asked to meet with a member of school staff and/or Education Welfare Officer to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

Should school be unable to resolve an ongoing lateness issue, we reserve the right to bring forward the close of register. This would mean that your child's lateness would be recorded as unauthorised which could result in the Local Authority considering enforcement proceedings against you. **We will always inform you in writing should this action be necessary.** 

#### Holidays in term time:

Taking holidays in term time will affect your child's education and attainment as much as any other absence and we expect parents to help us by not taking children away during the school term. Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education. There is no automatic entitlement in law to time off in school time to go on holiday and the

government made an amendment to the Education (Pupil Registration) (England) Regulations 2006 in September 2013 to reflet this.

Leave of absence shall not be granted unless -

- A. An application has been made in advance to the proprietor by a parent with whom the pupil normally resides: and
- B. The proprietor, or a person authorised by the proprietor in accordance with paragraph (1), considers that leave of absence should be granted due to the exceptional circumstances relating to that application.

In light of the changes to the Pupil Registration Regulations, Merridale Primary School will only grant leave where parents can prove exceptional circumstances. All applications must be made in writing to the Headteacher at least 10 school days prior to the requested leave date.

Any period of leave taken without the agreement of the school, prior notice to school and in excess of that agreed with school, we will be classed as **unauthorised** and may attract sanctions such as a Penalty Notice or prosecution in the Magistrate's Court.

#### **Attendance and Prosecution Service:**

Parents/cars are expected to contact school at an early stage and to work with the staff and our Education Welfare Officer in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the **Attendance and Prosecution Service** at the Local Authority. This service can use sanctions such as **Penalty Notices or prosecutions in the Magistrates Court**. Full details of the options open to enforce attendance at school are available from the **Local Authority**.

Alternatively, parents or children may wish to contact the Attendance and Prosecution Service themselves to ask for advice or information. They are independent of the school and will give impartial advice in accordance with their statutory duties. Their telephone number is 01902 552203.

# **Penalty Notice Fines issued by the Local Authority**

The Attendance and Prosecution Service at the Local Authority may issue a Penalty Notice Fine of up to £120 (per parent/per child) or instigate legal proceedings in the Magistrates Court in the following circumstances:

- Where an excluded child is identified in a public place in the first 6 days of an exclusion,
- Where a Formal Warning Notice has previously been issued regarding unauthorised absence and further unauthorised absence is accrued,
- Where there is recorded unauthorised term time leave of absence/holiday leave. Further information regarding Penalty Notice Fine and other enforcement proceedings relating to school attendance can be obtained from the Attendance and Prosecution Service.

# **Children Absent and Missing from Education**

A child absent or missing from education, particularly repeatedly, may be a vital sign of a range of safeguarding possibilities. In line with KCSIE, September 2023 and Merridale Primary School Safeguarding and Child Protection Policy 2023-24, we will work with parents and our local safeguarding partners as required in such

cases. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in education in the future.

Where reasonably possible, Merridale Primary School will hold more than one emergency contact number for each pupil or student. Merridale Primary School will endeavor to make contact with a responsible adult when a child is absent from or missing in education is also identified as a welfare and/or safeguarding concern.

The school has a duty by law to refer any absence of 2 days or more where it has been unable to make contact with the parent/child or have general concerns about the absence to the Attendance and Prosecution Service.

### Taken from our Safeguarding and Child Protection Policy:

Staff at Merridale Primary School are aware that children being absent from education for prolonged periods and/or on repeat occasions can act as a vital warning sign to a range of safeguarding issues.

Our response to persistently absent pupils and children missing education will support identifying such abuse, and in the case of absent pupils, helps prevent the risk of them becoming a child missing education in the future. This includes when problems are first emerging but also where children are already known to children's social care and need a social worker (such as a child who is a child in need or who has a child protection plan, or is a looked after child), where being absent from education may increase known safeguarding risks within the family or in the community.

Our school has an admission register and an attendance register. All pupils are placed on these registers at the beginning of the first day on which the school has agreed, or been notified, that the pupil will attend our school. If the child fails to attend on the agreed or notified date, our school will notify the local authority at the earliest possible opportunity to prevent the child from going missing.

Our attendance and admission registers are kept up to date. We actively encourage our parents and carers to inform us of any changes whenever they occur.

Our school monitors attendance regularly and we address any issues that may cause concern and where attendance fails to meet the expected level in line with our attendance policy.

Our school will notify the local authority of any child who fails to attend school regularly or has been absent without the school's permission for a continuous period of 10 school days or, more at such intervals as are agreed by the school and the local authority. Our school will engage with the Education Welfare Officer when concerned about a pupil's attendance.

#### School targets, projects and special initiatives:

The school has targets to improve attendance and your child has an important part to play in meeting these targets.

The minimum target level of attendance for this school is **96%** and we will keep you updated regularly about progress to this level and how your child's attendance compares.

Our ambition is to achieve better than this because we know that good attendance is the key to successful schooling.

Through the school year we monitor absences and punctuality to show us where improvements need to be made.

Information on any projects or initiatives that will focus on these areas will be provided in our newsletters and we ask for your full support.

People responsible for ensuring good attendance:

Mrs L Towle, Headteacher

Mrs J Hitch, School Administrator/PA to the Headteacher

Mrs S Davis, Education Welfare Officer

#### **Summary:**

The school has a legal duty to publish its absence figures to parents/carers and to promote attendance. Equally, every parent/carer has a duty to make sure that their child/ren attends.

All school staff are committed to working with parents/carers and pupils as the best way to ensure as high a level of attendance as possible.

It will be reviewed as part of the schools cycle for reviewing policies. Its success should be judged by answers to the following questions:

Did all the classes reach their attendance target?

Is everyone aware of the procedures to be followed?
