

Dear Schools,

My name is Kelly Williams and I am the Chairwoman of Sporting Khalsa Women & Girls FC in Willenhall and we have a number of teams for girls all the way up to our senior women's sides whom play in the FA Womens National League (the largest league in England).

We also have weekly training sessions for girls ages 4-12 every Monday (6-7pm) where girls can try football for the first time or use it as an extra training session to improve their skills, confidence, make friends and hopefully develop a love for the beautiful game and team sports.

We have a number of home games and we would love to get more local girls, parents and families down to watch and enjoy the match day experience and we are offering free entry for children under 16 and half price for adults (£2).

This Sunday we face Sheffield FC, 2pm at the Guardian Warehousing Arena, Noose Lane, Willenhall, WV13 3BB.

After this:

Northampton Town (26/03/23)

Doncaster Belles (09/04/23)

Solihull Moors (30/04/23)

All you need too do is quote discount code "**QUEENS**" at the turnstile.

If there are any girls who are interested in playing opportunities or any volunteers looking too get involved please email us at [khalsawomen@sportingkhalsa.com](mailto:khalsawomen@sportingkhalsa.com)

Thank you for your time,

Kelly Williams
